News Briefs

Workshop offered
 Pahokee residents interested in being homeowners or homeowners in need of home improvements and repairs are invited to a workshop on Thursday, July 27, at 7 p.m. at the Pahokee City Hall in the commission chambers.

Representatives from Centro Campesino, NOAH Development, Housing and Community Development and the Rural Economic Community Development will be present to answer questions.

Old PHS Committee seeks information
 As part of an historical preservation project, an outcome of the Pahokee Charrette, the Old High School Committee is seeking the names of those who sought shelter from the 1928 Hurricane in the Old Pahokee High School building. The building has had just been completed that year and is an historical link to that time in the history of the Glades.

If you have information, please contact Judy Gallo at 924-7469.

Vacation Bible School
 It's Vacation Bible School time at Canal Point Baptist Church. Ruth Gilbert, director, announces the church will present "Windows on the World" beginning Monday, July 24 and continuing through Friday, July 28. Sessions will begin each evening at 7 p.m. and conclude at 9 p.m.

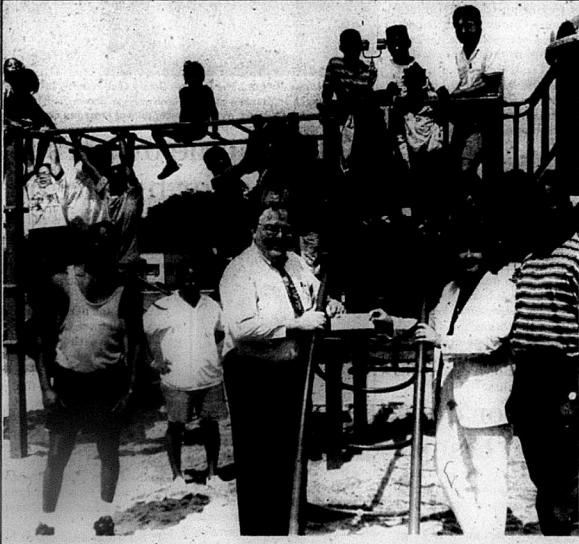

Classes will be available for all age groups. Those wishing to register may do so on Monday, July 24, at 6:30 p.m. On Sunday evening, July 30, the Vacation Bible School Commencement Service will be held at 7 p.m. in the sanctuary. The church is located at 107 First Street (corner of First Street and Highway 441) in Canal Point.

Those needing transportation may call the church office at 924-7346.

Volleyball practice begins at PHS
 Volleyball practice will begin Aug. 7, at 8 a.m. in the Pahokee Middle/Senior High School gymnasium. Girls in grades 7-12 who are interested in playing for the 1995 season should pick up a physical form from the office at the high school.

In order to participate, all paperwork must be completed and turned in either prior to, or on the first day of practice. The practices will run from 8 a.m. to noon daily until school begins.

PBCC fall term registration underway
 Registration for the fall term at Palm Beach Community College is underway for new and currently enrolled students. The last day for registration is Aug. 22, and classes begin Aug. 23. For further information, contact the PBCC Glades Campus in Belle Glade at 996-3055.

U.S. Sugar gives donations... U.S. Sugar Corporation, an employee-owned company, recently made generous donations to two schools in the area and to South Bay's youth summer recreation program. Shown from left to right in front of some of the summer youth program participants at Tanner Park are South Bay City Manager Lester Baird, U.S. Sugar Public Relations Director Judy Sanchez, and South Bay Commissioner Michael Jackson.

SUNPHOTO by Brenda Bunting

U.S. Sugar makes donations to local schools and organizations

U.S. Sugar Corporation, based in Clewiston, recently contributed over \$75,000 to benefit Glades area children. Through its Charitable Trust, the company made donations to Pahokee's Middle/Senior High School, Glades Day School, and the youth summer recreation program in South Bay. Representatives from these organizations accepted checks from U.S. Sugar this past week.

According to Robert Coker, vice president for Community and Governmental Affairs, "These contributions help support the local organizations which provide educational and enrichment programs for the children of our communities."

The donation to Pahokee Middle/Senior High School will benefit over 950 students who are enrolled in its educational programs. Principal May Gamble said, "This generous donation will be used to enhance our educational programs and to provide scholarships for our students. Believe me, it makes quite a difference."

Glades Day School welcomes the contribution and will apply it towards gymnasium refurbishment and bus program expenses, says Headmaster Buddy Sizemore. "We appreciate U.S. Sugar's contribution to our school and to the children of our communities," he said.

U.S. Sugar's donation to the summer recreation program will sponsor the YMCA's 20th annual "Glad Day" summer day camp held each June-August for the children of South Bay. The summer recreation program includes arts and crafts, swimming, field trips, and many other fun-filled activities.

Accepting the donation, South Bay City Manager Lester Baird and City Commissioner Michael Jackson agreed that programs like this are important to the children of South Bay. "It gives them a chance to have fun," said Mr. Baird.

The U.S. Sugar Charitable Trust was established in 1951 to provide capital funds for major community projects. Contributions are distributed quarterly for religious, charitable, educational, and general health and welfare purposes which benefit areas in which its employees live and work.

Mr. Coker said these contributions continue the sixty-year-old philosophy of U.S. Sugar's founder, Charles Stewart Mott, "We are part of the community and what is good for the community is good for us."

Correction

In the July 13, 1995 edition of *The Sun* it was stated that Pahokee businessman Emilio Perez, 37, was arrested and charged in 1990 with allegedly buying dynamite from an undercover agent to blow up a gas station owned by Howard "Doc" Hill.

In March of 1990, Mr. Perez was charged with possession of an unregistered destructive device. He was never charged in the Doc's Gas incident.

Danny Jones named Pahokee Rotarian of the Year

The Pahokee Rotary Club started a drive June 30 to get new members. So far, the club has recruited six new members, bringing their membership to 31. Club President Danny Jones said the organization is dedicated to helping others and donates to other organizations such as the Boy Scouts, the Glades Area Association for Retarded Citizens and the Salvation Army. In addition to their monetary contributions, the club sponsors two local kids to attend the Rotary Youth Leadership Conference, a 4-day event which is held in various locations. The also give a college scholarship to a local deserving youth each year.

Recently, the club participated in a city-wide clean-up effort sponsored by the Charrette and the Pahokee Chamber of Commerce. Each week, motivational speakers are brought in to speak to the group. Last week, July 13, Wynn Jones, member of the board for Everglades Regional Medical Center spoke to the group about the recent events at the local hospital.

Rotarian of the Year... Danny Jones, a lieutenant with the Pahokee Police Department, was named Rotarian of the Year by the Pahokee Rotary Club recently.

Bridge construction on new SR 80 to be finished by July 31

Glades residents will not have to make that annoying detour down old U.S. 98 and onto old SR. 80 starting Aug. 1 if the projections announced by the Florida Department of Transportation are correct.

The department says bridge repairs being made on State Road 80 west of 20-Mile Bend over the I-12 Canal should be completed by the end of July. The cost of the bridge repairs is estimated at \$229,000.

Also, DOT says the work on State Road 15 (North Main Street), Belle Glade from the Hillsboro Canal to State Road 80 (Hooker Highway) should be completed by January of 1996.

One lane is closed in both directions for parts of the road. Several median openings are being eliminated and some left-turn lanes are being lengthened.

The highway will also be repaved. The cost of this project is \$1.9 million.

Citizens can access public records through new P.A.S.S. program at the courthouse

Palm Beach County. The information can be accessed back to 1979.

Mrs. Milligan said she wants local residents to become more aware of what is offered at the local courthouse. "If we have it here, why should people go to the costs? It saves them time by doing it here," she said. She also noted that many Royal Palm and Wellington residents have begun traveling to Belle Glade to access the P.A.S.S. system or to pay traffic fines. "They say it's faster and more convenient," she noted. "Clerk of the Circuit Court Dorothy Wilken has really brought this forward and made it available to us," Mrs. Milligan added.

Ms. Wilkens plans to open another office in the Royal Palm Beach area soon.

Citizens can access the P.A.S.S. computer, or ask a clerk for help. "We have the capability to look up almost anything in Palm Beach County," she said.

Sugar Cane Growers and Okeelanta have been using another part of the information system, the driver's license check system, for several years. They use it to check the driving records of potential new employees who might be driving their large cane trucks or company vehicles.

"We encourage people to come by and use this local equipment," said Mrs. Milligan.

Do you need to know if your teenage son or daughter has been getting a lot of speeding tickets in the new car you just bought them? Or if your friend got a good price for the house they just sold in your neighborhood? Do you want to know if your new boyfriend is really legally divorced from his ex-wife?

All this information, and more, is yours for a small fee at the West County Courthouse, Belle Glade through the Public Access System Services (P.A.S.S.), which has only been on-line for a few weeks, and through the driver's license checking system.

Realtors, large local employers and insurance companies use the computer system at the courthouse regularly to access information through the Freedom of Information Act, says West County Branch Manager Barbara Milligan.

You can get that passport you've been wanting so you can take a trip abroad. Mrs. Milligan said the local post offices are no longer offering this service. You can apply for a marriage license. A deputy clerk, or the clerk herself, can perform the marriage ceremony for you and your loved one for an extra \$20 fee. Bring your own flowers.

Or you can check the felonies and misdemeanors file for

West County Courthouse Deputy Clerk Sharon Estes explains how to use the Public Access System Services computer. The computer is available to anyone during regular office hours. Clerks will print out the information accessed on the screen for a small fee.

Paula Swaford, R.N.

Cyclospora

The disease of summer

There's nothing in this world that can ruin a good time as quickly as nausea, vomiting and the severe diarrhea that sometimes accompanies. A much looked-forward-to, very occasional get-together with friends, high stakes bingo game went rapidly "down the tubes", so to speak, last week due to those very sym-

ptoms.

In the news lately, we have heard of the new disease called Cyclospora. This is a parasite infection that attacks the digestive tract of unsuspecting people anywhere and everywhere. Some of the first victims of this malady were at the same wedding reception, and others at a neighborhood party. The symptoms were as follows: abdominal cramping and pain, nausea, vomiting, and frequent diarrhea, sometimes accompanied by chills and fever. Some people have been hospitalized, but mainly they have tried to "manage" the symptoms at home.

Dehydration is of paramount concern in cases of vomiting and diarrhea. It is vitally important to replace the fluids in your body, so as not to jeopardize its fluid and electrolyte balance, and bodily functions, especially related to the cardiovascular system. Fluids that usually "stay down" include weak tea, Gatorade, ginger-ale, etc. Milk products are not generally recommended. As the system is able to tolerate liquids, then jello, soda crackers, dry toast, thin soups, etc. can be added. Just remember not to rush the process!

It is equally important to use good handwashing and disinfection techniques, to prevent the spread of this, or any, disease from one household member to

another. All the special sprays and medicine one could use to eliminate this disorder will be to no avail without strict handwashing after every contact with possible contaminants.

Some of the frequent medications used for diarrhea are easily obtained over the counter: Pepto-Bismol, Kaopectate and Imodium. Furazone and Lomotil must be obtained by prescription, and are usually quite effective.

According to an RN at the Hendry County Health Department, Cyclospora has not been classified by the Centers for Disease Control in Atlanta, as a reportable disease. For local purposes of information and control, however, I would like to recommend that if you or any of your family members have the above symptoms, go to your local health department and obtain special canisters for stool sample testing. These results can confirm whether what you have is Cyclospora or not, and the doctors there can inform you as to what further treatment is available.

If you are unable to manage this disease at home, hospitalization may be necessary for hydration with intravenous fluids. If you have questions or concerns, call your physician.

Until next time, stay informed and stay healthy.

Swiss Scientists Discover New Energy Product

Lugano, Switzerland—After 25 years of research Lightning 838 was developed with the help of Swiss Laboratories. After extensive testing with amazing results, Lightning 838 is now available in the United States. Scientists are amazed at Lightning 838's results on improved memory, attitude and athletic performance.

In a double blind cross-over trial on university students in Italy, Lightning 838 was given twice daily for 12 weeks. The results were astonishing. Students obtained higher scores in math, logic and physical education.

This new discovery has been a windfall for working and active people that seem to run short of energy around mid-afternoon and need a little extra lift. Lightning 838 was given taken in the morning gives a sustained, balanced form of energy throughout the day.

During an interview in Chicago, a technician stated, "I used to go home exhausted after being on my feet all day. Now it's just incredible. I go home with extra energy and really enjoy my family more."

Lightning 838 is now available at most K-Mart Pharmacies including:

Clewiston—955 Sugarland Hwy. 583-1744

Bradford reports for duty aboard the USS O'Brien

Navy Seaman Recruit Brett L. Bradford, son of Linda Jackson of 1604 NW 12th St., Belle Glade, recently reported for duty aboard the destroyer USS O'Brien, homeported in San Diego.

In a time when the Navy and Marine Corps are making strategic changes, Bradford joins the naval forces as they shift the focus away from operations on the sea and toward projecting power and influence across the seas in response to regional challenges. Working with Army and

Air Force units, the naval forces can provide a joint force capable of a full range of combat operations.

Whether assigned to ships, squadrons or shore commands around the world, men and women like Bradford are making a difference as they work to improve their knowledge and skill as part of the most highly technical naval force in history.

The 1994 graduate of Clewiston High School, joined the Navy in September 1994.

New Rotary officers...The Pahokee Rotary Club recently held installation of officers at the Pahokee Elks Lodge during their Thursday noon luncheon meeting. Shown, from left, are President Danny Jones; Vice President Brian Lohman; Treasurer Wynn Jones; Sergeant of Arms Jim Bennett; and Director Louis Edwards.

Mobile home owners should be well prepared for hurricane season

By Mike Lyons

Have you every wondered why tornadoes seem attracted to mobile homes? Just about every time there's a report of a tornado it seems some mobile homes are damaged or destroyed.

Take last November, for example. A relatively weak tornado struck a mobile home park in Brevard County. The twister's 100 mph winds destroyed over 500 mobile homes, injured dozens of folks and, unfortunately, claimed one life.

A more dramatic example occurred with Hurricane Andrew on August 23, 1992. Before Andrew there were 1,200 mobile homes in Homestead. After Andrew six manufactured homes remained.

There's really no mystery. Mobile homes and high winds just don't mix. Even with tie-

downs a mobile home is still susceptible to gusty winds. In fact, when a hurricane is headed our way mobile home residents are required to leave their home. It's the law in Florida.

Of course, the next question is where are all those folks going to go? There are thousands of mobile homes in our area. Lots of manufactured homes and lots of people will be trying to find a place safe from a hurricane.

Maybe more mobile home parks should follow the example of the Indianwood mobile home community in Indiantown in western Martin county. Indianwood is ready for a hurricane, thanks to resident Stan Somerhas.

Mr. Somerhas decided that his friends and neighbors would be protected from a hurricane. Since residents have to leave their manufactured homes when a storm is coming, Mr. Somerhas built a place for them to seek refuge in an on-site shelter at Indianwood.

He didn't stop there. Indianwood may be the best prepared community in our area. "We have electric power with generators," said Mr. Somerhas. "We've also got a water pump on our fire truck so we can pump water out of the pool or ponds."

That's if they run out of water. Mr. Somerhas has 200 gallons stored away along with first aid supplies and cots. Residents supply their own food. "We've even made provision to have 15 portable potties," he said.

Perhaps, the best part of his disaster plan is that it takes care of everyone. No resident of Indianwood is on their own. Neighbors check on their neighbors. Detailed lists are prepared. Everyone knows what's going on.

"We've involved everyone in the plan," Mr. Somerhas said. "We have meetings throughout the year so everyone knows their job."

Mr. Somerhas has created a comprehensive ten page disaster plan that covers all the bases. "We think it is important that we be ready for a hurricane," he said. "One of these days a storm is going to hit our area and we'll be ready."

A mobile home offers a wonderful lifestyle for many Florida residents. However, when the wind starts to blow it's time to leave that manufactured home and seek a sturdier shelter.

If your mobile home community has a clubhouse and you're not in an evacuation zone, maybe you can follow the lead of Indianwood.

Mike Lyons is the weatherman for WPBF, Channel 25.

Final request for Belle Glade area host families

Foreign high school students are scheduled to arrive into the Belle Glade area for academic program homestays, and the sponsoring organization needs a few more local host families.

According to Pacific Intercultural Exchange (P.I.E.), Executive Director, John Doty, the students are all between the ages of 15 and 18 years, are

English-speaking, have their own spending money, carry accident and health insurance, and are anxious to share their cultural experiences with their new American families. P.I.E. area representatives match students with host families by finding common interest and lifestyles through an informal in-home meeting. Prospective host families are able to

review student applications and select the perfect match. As there are no "Typical" host families, P.I.E. can fit a student into just about any situation, whether it be a single parent, a childless couple, a retired couple or a large family.

For the upcoming programs, P.I.E. has students from Spain, Germany, Poland, Russia, Finland, Argentina, Brazil, Colombia, Paraguay, Australia, New Zealand, Croatia and many other countries.

Belle Glade families who are interested in learning more about student exchange or arranging for a meeting with a community representative may call P.I.E., toll-free, at 1-800-631-1818.

Africamp summer program begins Monday

Pre-teens and teenagers can have fun while learning during the summer months, and organizers say the Zora Neale Hurston Roof Garden Museum's Africamp program can provide that environment.

AfriCamp, the Museum's research and publishing program for 10 to 15-year-olds, begins Monday, July 24, and will offer a unique slant to the traditional summer camp experience for Glades' youngsters, says Museum Archivist Milwanda Brown.

Teams of youngsters will be trained in research and interviewing techniques by journalist C.B. Hanif, columnist for the *Palm Beach Post*, during the first week of the program.

They will spend time doing library and other research in addition to interviewing elderly residents, for the purpose of producing material to be published later.

A book on Zora Neale Hurston, nationally-acclaimed author and former Belle Glade resident, will be produced for

young readers by the fall.

In its fourth summer of operation, the summer program offers two weeks of day camp and one week of residential camp to area youngsters. Cost of the camp is \$200, however, some scholarships are available.

AfriCamp is sponsored in part by the Children's Services Council of Palm Beach County and McDonalds of Belle Glade.

For additional information, please contact Ms. Brown at 996-2161.

Belle Glade Police Department's arrest blotter

The Belle Glade Police Department investigated 564 complaints the week of July 10 through July 16 and handled 17 crime scenes.

Arrests July 10 through July 16 included:

Couple plans to wed Saturday

Demetria V. Bailey and Myron L. Refoure announce their engagement and upcoming wedding.

The couple plans to exchange vows on Saturday, July 22, at 4 p.m. at the Mount Calvary Baptist Church, 399 Canal Street, Radcliffe, Belle Glade.

All friends and family are invited to attend. A reception will follow immediately after the ceremony at the Belle Glade Civic Center, 725 Northwest Fourth Street, Belle Glade.

Passing the bucks...Pahokee High School Principal May Gamble accepts a check from Jorge Rivas, Assistant General Manager for the Eastern Agricultural Division of U.S. Sugar, through its Charitable Trust Fund U.S. Sugar donated \$75,000 to local schools and organizations in the Glades last week.

Enraged ex-girlfriend shoots two with handgun

A woman who found her estranged boyfriend parked in a car in the area of Glades Central High School Monday night with another woman, shot both with a handgun.

Patrolman Kevin Folmar of the Belle Glade Police Department said he was flagged down by David Bryant, 34, at approximately 10 p.m. Bryant had a gunshot wound to his

right knee. He took the officer to a car where Josette Bell, 24, had also been shot in the arm and in the leg. They said they had been shot by Bryant's estranged girlfriend, Latalia D.

Prince, 28.

Both were taken to Glades General Hospital's emergency room and treated and released. Prince fled from the scene but was later arrested.

To voice your opinion on any subject, call **Speak Out** at 996-6636, 24 hours a day. Readers can use this special number to pose questions, voice complaints, express opinions or put somebody on the back. Unlike letters to the editor, **Speak Out** is designed for anonymous expression of opinions. We edit calls for clarity, brevity, relevance and fairness.

Let's get answers

"Yes. I was just reading about this 'Taxpayer ripoff' in **Speak Out** about the computers and stuff at Belle Glade Elementary School.

I think the sheriff's department needs to investigate and see where this stuff has gone to and see if whoever gave that stuff away had the authority to do that.

I think these things need to be retrieved and something needs to be done about it."

Editor's note: Please see the "Letters to the Editor" section across from this column for more information on this subject.

Rain, rain, go away

"I just wanted to call and say I hope it stops raining pretty soon before we all have to start getting under in boats.

All this rain is boring, and it's getting on my nerves!"

False information

"How is it possible that a company can advertise

that they cash checks and they do various duties but every time I go in, I can't get a check cashed, I can't get anything taken care of.

It's very inconvenient that they say they're here for us but I still have to go somewhere else to get my checks cashed. Why is this being permitted when they're supposed to be here for the community but every time I or my friends walk in we can't get a check cashed?

It's false advertising and I honestly think this should be addressed. It should be against the law to give information that they can not provide.

Thank you very much.
A concerned citizen.

Editor's note: This **Speak Out** was edited to remove any information which could make it possible to identify the business mentioned in the complaint.

I would suggest that this person contact the store owner directly to try to resolve the problem. Tell the owner you will be taking your business elsewhere if he/she does not live up to the advertised policy. And then follow through.

About letters

To voice your opinion about Glade's issues, or to respond favorably or unfavorably to articles printed in the paper, we encourage you to write us a letter. Send to:

THE SUN

"A TEST OF FAITH? IS IT AN ORAL OR WRITTEN TEST?"

Letters to the Editor

Dear Editor:

The July 13, 1995 **Speak Out** regarding taxpayers' money for schools being thrown away requires clarification about how our schools are operating. All school centers are required to maintain up-to-date inventories and report all losses. This includes the old and new (replacement) Belle Glade Elementary Schools.

Equipment and furniture from the old school will be transferred to the new school. All usable items that are not taken to the new facility will remain at the old Belle Glade Elementary to be assigned to the other schools in the West Area. The transfer of equipment is initiated and completed using transfer forms required by school board policy.

Employees have not been instructed to remove any items from the school. The **Speak Out** caller is correct - taxpayers are truly supporting us and it is our job to follow policy, protect your investments and offer a high quality education to our children.

The Belle Glade Elementary administrators have completed a thorough inventory of all equipment. Two microcomputer systems, AST model 12-10350, each with 8mb of RAM, 130Meg hard drive and a CD-ROM player, and the entrapment devices they were encased in, are missing. The School Police Department has written a security report. The Belle Glade Police Department is also investigating. They need the help of our Belle Glade citizens!

If you have information regarding the theft of these computers, please call one of the following: School Board Police (407) 434-8700, Bell Glade Police Department 996-7251, West Area Office 996-4900, Belle Glade Elementary 996-4990, Crimestoppers 1-800-458-8477, or Brenda at **The Sun**. Please share the specific information your **Speak Out** call-in is stating. You will remain anonymous. Our children and teachers need these computers.

The Sun provides Glades residents an opportunity to gain information and a chance to express opinions. On July 13, **The Sun** allowed the city manager an immediate response below a **Speak Out** concerning city employees. Public school administrators are asking for the same privileges you give to city government employees and officials. We feel the loss of these computers is so very important to taxpayers and students that we should have been afforded the very same opportunity to respond immediately.

Each week **The Sun** publishes "A Pledge to Our Readers." The seventh pledge statement "To provide a right to reply to those about whom we write." Please give all public officials and employees the right and opportunity for immediate reaction and response.

We thank **The Sun** for printing this response

to the July 13, **Speak Out**.

G. Eugenia Jones, Area Superintendent
Glenda Garrett, Principal Belle Glade Elementary
Juanita Malone, Assistant Principal,
Belle Glade Elementary
Jeannette Dexter, Coordinator,
New Elementary Schools

Editor's note: I spoke with Area Superintendent Eugenia Jones shortly after the above mentioned **Speak Out** ran in **The Sun**. She is right - fully upset.

Speak Out is a wonderful opportunity for local residents to anonymously voice their opinions on many subjects, but it must be carefully monitored and allow for fair play for those public officials or anyone who is the target of questions, comments or criticism.

I can only say that I was not diligent in this instance by neglecting to allow the school board an opportunity to respond to the caller in the same issue. I apologize, and I will try to do better in the future.

Dear Editor:

The Pahokee High School Class of 1995, along with their parents, would like to thank the following businesses and private citizens for making our Project Graduation possible. We sincerely appreciate your contribution. Without you, our cruise would not have been possible. Thank you.

Family Dollar; Nana's Petroleum; Dale Milita; Craig A. Smith & Associates; Christine and Rafael Sanchez; Pahokee Feed Store; Foodland; Nana's Food Store; Shawn Curry; Kendra Brunkowicz; Pahokee Army Store; Veronica Harrington; Bernie Walker/State Farm; Palm Villas Motel & Little Market; Edward and Mary Driebe; Royals; A. Duda & Sons; Daisy Onega; Roselin Dotting; Henry Miller; Robbie Everett; Eloise Mobley; Maria Baeza; Lew and Barbara Edwards; Wester Auto (Pahokee); Ada Conley; Owen Davis; James R. West; Henry T. Wells; Eddie Rhodes; Billy Roberts & Sons, Inc.; Billy and Judy Roberts; Diane Walker; Connell Enterprises (Badcock's); First Baptist Church of Belle Glade; Michael W. Shiver, C.P.A.; Gilbert's Jewelers; G. Eugenia Jones; May Gamble; Osceola Farms; Friends of Ricky Jackson; Marvin Davis; Bank of Pahokee; Concerned Citizens of Pahokee; Lewis Friend; Gregory Jova; Helen Murray; Lydia Caso; Vicky Hyneman; Azell Latimore.

Sincerely,
Jeannette Burroughs
Committee Chairman

Guest Commentary

How to boost your chances of getting into the college of your choice

By Peter Bennett
Savings of America

Getting into the college of your choice requires a good plan and the discipline to stick to it. Effective planning should start early, but no later than your freshman year. Here's what you can do at each stage of your high school career to make your college-bound plan a success.

Freshman Year

It's important to begin work toward fulfilling most colleges' basic admission requirements, which usually include three years of math and two or

three years of a foreign language. Also, take classes that challenge you, which doesn't necessarily mean signing up every time for the most advanced courses or the toughest teachers.

"Admission officers tend to favor well-rounded students who are willing to stretch themselves," said Judy Phillips, manager of Savings of America's Career Awareness Program, which helps high school students prepare for college and careers. "Participating in school clubs is a great way to develop your personal interests and show who you are."

See Colleges, Page 5

Colleges

Sophomore Year
Keep signing up for challenging academic courses and extracurricular activities. For practice, take the PSAT or the PLAN (formerly known as the P-ACT) in the spring. Test results are not reported, so there's no need to get nervous. A questionnaire also accompanies the practice test, which can help you identify your academic strengths and interests.

"Do things now that can help you later," Ms. Phillips said. "By getting involved in your career goals early, you already begin to stand out from the crowd."

In the fall, you can take the PSAT for practice before taking the real thing—the SATs or the ACTs—in the spring. This is the time to start narrowing the list of colleges you're considering. Weight factors such as tuition, size, location, and institutional

strengths and weaknesses. Send away for the school's catalog and do your homework.

After you've trimmed your list of colleges to a manageable total, visit each one.

Talk with teachers and students, sit in a class, browse in the library, sleep over in a dorm and try the food. Also get out in the surrounding community to make sure you're comfortable with it.

"Don't rely on a college's reputation," Ms. Phillips said. "Get out and find out for yourself what will be the best situation for you."

Senior Year
Even if you took the SAT or ACT in your junior year, take it again in the fall. Most students raise their scores on the second try.

Get applications from the five or six schools that most appeal to

Continued from Page 4

you, including one in which you're virtually guaranteed admission. After you compose your application essay, give it to a trusted source to review and edit. Collect recommendations from teachers, advisers and community leaders who know you and like you.

Decision letters begin arriving in March and April. If you're put on a waiting list, write back with new information on your personal achievements.

If you are completely shut out in your search, stay calm. By May, roughly two-thirds of colleges still have unfilled spots for freshmen and transfer students. Ask your counselor for a list of these institutions and apply to the ones you like.

"Your plan is your road map to the college of your choice," Ms. Phillips said. "As long as you have it, you can go anywhere."

many years as Worship Chairperson and Church Hostess.

The Canal Point United Methodist Church is located at the corner of U.S. Highway 441 and Second Street in Canal Point. For more information, call the church office at 924-7325.

Vacation Bible School

The Canal Point United Methodist Church is getting ready for a great week of fun, fellowship, learning, crafts, and food. The church will hold Vacation Bible School beginning Monday, July 17, and continuing through Friday, July 21.

It will begin nightly at 7 p.m. and end at 9 p.m. Everyone is welcome to participate in a "Celebration Walking Parade"

through Canal Point, at 3 p.m., on Sunday afternoon, July 16. Registration will be held after the parade, and also on Monday, July 27, at 6:30 p.m.

The church is located on the corner of U.S. Highway 441 and Second Street, in Canal Point. Anyone needing transportation, or who has questions, can call Rev. Jackie McMillan at 924-7325.

A community invitation Community members are invited to a special birthday reception for Rebecca Kepp on Sunday, July 30 at 12:30 p.m.

The Canal Point United Methodist Church is sponsoring the reception at 11 a.m. to mark the 90th birthday of Ms. Kepp. Rev. Jackie McMillan said Ms. Kepp will be recognized for her faithful service to the church family, through her

Travel Through Florida

Cruising On Florida's Scenic Highways And Byways... Your Path To Summer Fun Vacations

(NAPS)—Families planning to vacation in Florida this summer will travel along some of Florida's most popular routes, including I-75, I-95, U.S. 1 and the Turnpike, to reach their final destinations. No matter which route they choose, Florida travelers are guaranteed to find easy access to some of the state's most beautiful and fun-filled vacation spots, including Ocala, St. Petersburg, Naples and the Keys. And, for those in search of more adventurous travel to off-the-beaten-path places, these highways lead to the less-often traveled byways for outdoor vacations in unspoiled, uncrowded nooks of Florida, like Lake Okeechobee. Here you'll experience the "old" Florida...the way it used to be.

Just as important as where to go for your vacation is what you want to do, what you need to bring and how much money you want to spend.

Camping is one of the most popular and economical forms of vacation travel in Florida, where people can escape from everyday hassles, spend quality time with family and friends and simply enjoy the soothing surroundings of the great outdoors.

According to the general managers of Florida's resort KOA Campgrounds, camping is a fun, hands-on experience for everyone, whether you are a novice or seasoned camper. They offer these practical camping tips for those wanting to experience an outdoor summertime vacation in Florida:

• **Try renting a cabin for the first trip.** First-time or novice campers have a lot of inexpensive options to help them make the transition to camping life. In addition to borrowing or renting camping gear, or even renting an RV, beginners can rent cozy, log-like cabins at St. Petersburg/Madeira Beach Resort KOA (off of I-275) or the 10 units at Lake Okeechobee Resort KOA, the largest KOA in North America (just 35 miles south of the Turnpike's Yeehaw Junction Exit).

KOA offers summer fun vacations in Florida where people can escape from everyday hassles, spend quality time with family and enjoy the beauty of the great outdoors. KOA's Kamping Kabin® are a great way to experience the fun of camping.

Campers just bring cooking utensils and bedrolls or tents and enjoy the fun and excitement of camping out with the security and comfort of sleeping in.

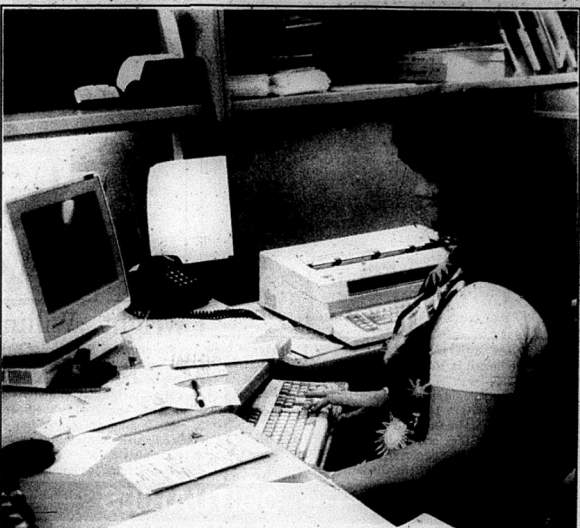

• **Choose a campground based on your needs and tastes, or on what you want to do.** There are several KOAs in Florida that offer a variety of vacation settings. St. Petersburg/Madeira Beach Resort KOA is perfectly situated near many popular attractions, including Sunken Gardens, John's Pass Village and Busch Gardens. Lake Okeechobee Resort KOA, located in the natural, unspoiled heart of South Florida is just 14 miles from the famous large month has fishing hole of Lake Okeechobee.

Further south, in the tropical Florida Keys, couples can spend romantic getaways enjoying sunbathing, snorkeling and watching unbeatable sunsets while staying at Fiesta Key or Sugarloaf Key Resort KOAs, right off of U.S. 1. Fiesta Key KOA even has air-conditioned motel units (some with kitchenettes) for campers' convenience. These KOAs also have a variety of excellent

amenities and facilities ranging from large heated pools, hot tubs, shuffleboard, horsehoes, tennis courts, laundry facilities, on-site restaurants with full bar service and more.

• **Pack light and don't forget a first-aid kit.** Packing light saves time and space, and how you camp will determine what you need to bring. Some basics for tent and Kamping Kabin® campers include sleeping bags, lantern, cooler, camp stove and cooking/eating utensils. Carrying a first-aid kit with insect repellent spray in your vehicle is must, especially if you are traveling with children. If you forget something—don't worry. The KOAs have full-line convenience stores that carry everything from leaves of bread to sustenance.

For more information on these KOAs or to inquire about special summer rates, promotions and packages or to book a reservation, call St. Petersburg/Madeira Beach Resort KOA at (800) 848-1094; Okeechobee Resort KOA at (800) 845-8846; Fiesta Key Resort KOA at (305) 864-4922 or Sugarloaf Key Resort KOA at (305) 745-3549.

Legal Records Clerk Krista Carter checks the driving license file for a local resident. Any Palm Beach County citizen can check their local record at the courthouse for a small fee. Ms. Carter said she has worked for the Clerk's Office for almost 10 years.

Vampires Have Nothing On Ticks And Fleas

(NAPS)—If you think Tom Cruise as a vampire was blood-thirsty, consider how dogs feel about ticks and fleas.

Female fleas consume 150 times their body weight in blood every day—and while they don't live for centuries like vampires, the fleas living on your dog will stay for around 100 days. In that time, female fleas can lay up to 2,000 eggs.

What's worse, bloodthirsty ticks can lay between 4,000 and 5,000 eggs at one time. Ticks can live up to 23 weeks seeking one or several hosts to gorge on while developing.

This host can be your dog. Ticks and fleas are tiny Draculas preying on your dog, and fleas hide out in your carpets, furniture, lawn, and floorsboards, and of course, on your dog.

Now there's a new and better battle plan, according to Janet Lorenz, D.V.M.—and that plan starts with prevention.

"We know when tick, flea and mosquito season occurs every year. Now, advance planning and use of the newest products can help to significantly reduce infestations and gain control before severe attacks on your dog occur," said Dr. Lorenz, a Senior Professional Services Veterinarian with Mallinckrodt Veterinary Products in Mundelein, IL. "Instead of acting after the dog is covered with ticks, fleas, mosquitoes and bites—owners should have protection in place at the time of heavy exposure."

"Unfortunately, we've accepted tick and flea problems as inevitable," said Dr. Lorenz. "Preventive steps can give a great deal of hassle and discomfort, for both humans and their pets."

The right steps include: Think ahead and start your efforts before the problem occurs. Dr. Lorenz says timing is crucial if the prevention approach is to be successful, so make tick, flea and mosquito prevention a regular part of your dog's medical routine. The annual spring visit for heartworm prevention and rabies vaccination should begin flea and tick prevention for the coming season.

DON'T LET INSECT VAMPIRES BUG YOUR DOG

If you take the right steps, you can PROTECT your dog from being attacked by those little insect vampires: ticks, fleas and mosquitoes.

START EARLY several weeks before the flea and tick season begins	CONSULT YOUR VETERINARIAN about using a long-lasting product
TREAT THE YARD where 95% of the flea and tick vampires live	PROTECT YOUR HOME including pet bedding, carpet, furniture

To learn more about protecting your pet, and preventing infestations of the bug vampires, call the Defend ExSpot hotline at 1-800-TIC-FLEA

- **Begin your protection regimen about three weeks before the weather in your area reaches the most optimal conditions.** In some areas, these pests are a year-round problem.
- **Use a long-lasting tick, flea and mosquito control product to protect your dog.** Defend ExSpot provides protection for up to four weeks, and is convenient to use—just 1 ml. applied between your dog's shoulder blades.
- **Through contact insecticide action, Defend ExSpot has a built-in advantage:** It doesn't require ticks, fleas and mosquitoes to feed on your dog's blood like some other products, which are "revenge insecticides."
- **If you live in a problem area, or your dog spends a lot of time outside or swims, check once a week for signs of infestation.** If your dog is in a flea-infested yard, or woods, or gets soaked and washes off the

Defend ExSpot® protection, you need to take action immediately. Bathing the dog with a shampoo like Defend! Flea Shampoo followed by Defend! Flea and Tick Cream Rinse will kill fleas on the dog at that time. Then reapply Defend ExSpot® for protection for up to four weeks.

- **Use a yard and kennel spray to treat the dog's outdoor environment,** since 95 percent of the flea population lives in the dog's environment—not on the dog.
- **Take care of the dog's indoor environment.** If ticks and fleas manage to invade the house, vacuum thoroughly where pets spend time. Then use home products like Defend! Premise Spray or Defend! on all carpeted areas, upholstered furniture and on pet bedding.

For information on combating ticks, fleas and mosquitoes, call the Defend ExSpot hotline at 1-800-TIC-FLEA (1-800-843-3532).

Love your life, poor as it is. You may perhaps have some pleasant, thrilling, glorious hours, even in a poorhouse. The setting sun is reflected from the windows of the almshouse as brightly as from the rich man's abode.

—Henry David Thoreau

Mr. and Mrs. Ty Hooker

Laura Dykes Towell of Belle Glade, and Ty T. Hooker of Belle Glade, were united in Holy Matrimony in Knoxville, Tennessee on July 3, 1995.

Laura is the daughter of Barbara Dykes and the late J.M. Dykes, Jr. of Cleveland. Laura is presently employed by Bergeron Land Development, Inc. in South Bay.

Ty is the son of Dick and Elaine Hooker of Belle Glade. Ty is presently employed by Sugarcane Growers of Belle Glade. The couple will reside in Belle Glade.

Wright - Willingham to wed

Mr. and Mrs. Samuel Joe Wright, Sr. of Bartow, Florida would like to announce the engagement of their daughter Ave' Danyl Wright of Bartow, to James H. Willingham of Belle Glade.

Miss Wright attended Bethune Cookman College and is presently employed by the Board of County Commissioners.

Mr. Willingham is attending John C. Smith University in North Carolina and is presently employed by the Board of County Commissioners. The wedding is planned for July 29, 1995.

Nine-year-old Sara Bouska experiments with a bicycle wheel to become a human gyroscope at FPL's Energy Encounter.

Special exhibit arrives at FPL's energy encounter

All aboard for a free summer treat at Florida Power & Light Company's Energy Encounter. Become a human gyroscope using a bicycle wheel, see your hands generate electricity and make "electric" fleas -- all as part of the center's latest exhibit, "The Energy Express".

This hands-on exhibit, featured at the Energy Encounter through Sept. 10, allows visitors to explore the mysteries of energy, electricity and magnetism. The display also includes a "Tiny Tot's Caboose" where younger groups can make magnetic designs and experiment with block builders.

In addition to the summer exhibit, the Energy Encounter contains 30 other permanent displays, including interactive computer games and an energy treasure hunt in which participants earn a free prize. Visitors can also walk on the one-mile Turtle Beach Nature Trail and check out backpacks that contain materials for hands-on experiments along the trail.

As another special summer program, FPL will open its Marine Education Center consisting of a marine life touch tank and a lobster farm. Visitors can discover interesting facts about the Florida lobster, and touch marine creatures that live in the area's wetlands. The facility will be open each Tuesday from 10 a.m. to 2 p.m.

Admission to the Energy Encounter is free. Hours of operation are Monday through Friday and Sunday from 10 a.m. to 4 p.m. The center is located at FPL's St. Lucie nuclear power plant on Hutchinson Island on A1A between Stuart and Ft. Pierce. For more information, call 407 468-4111.

OBITUARIES

William (Bill) Riley Smith

William (Bill) Riley Smith, Jr., 67, died June 23, 1995, at Hospice of Palm Beach County in West Palm Beach, Florida. Mr. Smith was born Oct. 6, 1927 at Gonzalez, Florida, and had resided in Moore Haven for 16 years.

Mr. Smith was a veteran of the army and a security officer in the agriculture division at Okeelanta Sugar Company for 19 years. He

was a member of the Church of Christ in Cleveland.

Burial took place in the Ortona Cemetery in Glades County, June 26.

Mr. Smith is survived by his wife, Emma L. Smith (nee Sowell), of Moore Haven; one son, William R. Smith, III, of Belle Glade; six daughters, Patricia Daly, Linda Caraway, both of Pensacola, Evelyn Andrews of Moore Haven, Wanda Smith and Rileen Hooker of Belle Glade.

Billie Cunningham of Cleveland

He is also survived by his stepmother, Margaret Smith of Istachatta, FL; two brothers, Ernest Smith of Mobile, Ala., and James Smith of Pensacola and a sister, Elizabeth Pitts of Istachatta. Mr. Smith is also survived by 20 grandchildren and 7 great grandchildren.

Wanda Dixon Burnett

Wanda Dixon Burnett, 70, died July 9, 1995 at her residence in Macon, Ga.

Mrs. Burnett lived in Belle Glade for several years with her parents, James E. and Arizona Wade Dixon before moving to the Macon area.

Funeral services were held Wednesday, July 12, at the

Chapel of Crest Lawn Funeral Home in Macon. Burial was in Macon Memorial Park in Macon. The Rev. Dennis Salvey and Rev. Gaston Pollock officiated.

Mrs. Burnett was a member of the Bloomfield United Methodist Church and was born in Polk County, FL. She lived in the Macon area for the last 37 years.

Survivors include her husband, Irvin E. Burnett of Macon; four children, Kenneth Burnett, Dennis Burnett and Karen Lambeth, all of Macon, and Kathy Floyd of Moultrie, She is also survived by one brother, K.N. Ayers of Tallahassee and five grandchildren.

Funeral arrangements were handled by Crest Lawn Funeral Home in Macon.

SPORTS AND MORE

Pahokee Track Club brings home the Gold

The Pahokee Track Club won a total of 18 medals at the A.A.U. Regional Track Meet held in Melbourne on July 14/15, at Palm Bay High School.

In the Midget Division: Michael Rawls won first place in the long-jump with a distance of 16 feet 9 1/2 inches. Michael also won first place in the high-jump division with a jump of 4 feet 6 1/2 inches.

In the Youth Division: Telvis Bennet took first place in the 800 meter with a time of 2:12. Telvis also took third place in the 400 meter with a time of 56.01.

Lawrence Williams took

first place in the long-jump with a distance of 18 feet 11 1/2 inches. Lawrence also took first place in the T.J. - 40 feet 10 1/2 inches.

Desmond Rocketts took third place in the 100 meter with a time of 11.48.

In the 100 meter relay - four participants: Lawrence Williams, Jonete Petty, Desmond Rocketts and Telvis Bennet took first place with a time of 49.98.

In the Intermediate Division: Michael Hall took first place in 110 high hurdles with a time of 16.0, and second in the 400 M.H. with a time of 59.20.

Lafann Williams took third place in the 100 meter with a time of 10.80 and third place in the 200 meter with a time of 22.5.

The team of Michael Hall, Lafann Williams, Catherine Webb, and Reggie Foster took first place in the 440 meter relay with a time of 46.01.

A total of 9 runners qualified to attend the A.A.U. National Junior Olympics, which will be held in Des Moines, Iowa, from July 31 through August 4.

If you would like to make a donation to help our youth reach their true potential, please call Coach George Powell at 924-2111.

Johnnie Mullins sets new state record

Glades youth continues to set records in state track competition.

On Saturday, July 15, Johnnie Mullins, Jr. son of Vivian and Johnnie Mullins of Pahokee, traveled to Melbourne, to compete in the A.A.U. (Amateur Athletic Union) track and field regional and state championships.

Johnnie set a new state record in the 100 meter dash. Johnnie ran a time of 11.25, breaking the old record of 11.29 set in 1992.

He also won the 200 meter dash with a record time of 23.1 thus qualifying him for the A.A.U. National Championship

meet being held in Des Moines, Iowa, July 30 - August 6.

Johnnie now has captured both the A.A.U. and U.S.A. track and field state records in the 100 meter dash and the state A.A.U. record in the 200 meter dash.

Congratulations Johnnie on a job well done.

Second Marine Division to hold Reunion.....

Plans are under way for the 46th. Annual Reunion of the Second Marine Division Association.

The association was formed shortly after WW II, to enable former comrades to retain contact with one another, using the annual reunion as a focal point to maintain that camaraderie.

The division forms the infantry strike element of Fleet Marine Force, Atlantic and is based in Camp Lejeune, NC. It's existence is an integral part of our country's foreign policy, as shown by recent service in Lebanon, Grenada, Panama, Desert Storm, Somalia and Haiti.

Our association is over 8000 strong, and increasing in membership as Marines of the post WW II era are finding the association a means of reviving friendships established while serving as a member of the 2nd Mar Div.

We especially want the more recent members of the division, those who served in the '70's, '80's and the '90's to come "on board." It is you who will have to lead the way into the Twenty First Century.

Any person, who served with or was attached to the division, at any time since its inception in 1941, is eligible for membership into the association.

For membership information, please contact Membership Chairman Carl Wiegell - 217 Audubon St. #1204 - Hot Springs, AR 71913. Phone 501 623-3823.

Our annual reunion will be held in Long Beach, CA during August 3 - September 6, 1995. The host hotel will be the Long Beach Sheraton. This reunion will mark the 50th. year of the successful conclusion of hostilities against Japan.

We will be participating in a commemorative celebration hosted by the City of Long Beach and The Press-Telegram newspaper.

For Reunion information, please contact Col. Chas. Van Horne, USMC (ret) - SMDA - P.O. Box 8180 - Camp Lejeune, NC. 28547 - Phone 910 451-3167.

Teachers are invited to explore Atom's mysteries at workshop

Florida teachers are invited to explore mysteries of the atom and how electricity is generated from nuclear power during a free workshop offered August 2-4 by Florida Power & Light's Energy Encounter at the St. Lucie nuclear power plant.

The Nuclear Energy Workshop, which will present information and hands-on experiments on nuclear energy, helps teachers meet educational goals set for their students. Discussions will be presented by industry and plant experts, including sessions on:

- How atoms are split to provide enough energy for thousands of homes
- Radiation as a form of energy and what precautions are taken at nuclear power plants.
- The multiple safety systems

in place at nuclear plants to ensure safe operation.

• How used uranium fuel is stored

• And how nuclear power plants operate in relation to the environment.

"There is mystery associated with nuclear energy," said Kim McKenna, educational advisor for the Energy Encounter. "This workshop offers teachers a first-hand opportunity to see and hear about the operations of nuclear power plants in an in-depth format."

Teachers who complete the workshop will receive a financial stipend for attending; tours of the plant and the simulator room where reactor operators are trained; materials and instructions to perform hands-on experiments in the classroom; and 18 in-service credits. No prior experience or knowledge of nuclear power, energy or electricity is required to take the course.

Spaces are limited to 30 teachers. Call Kim McKenna at 407 468-4111 for more information or to make reservations.

NOTICE OF PUBLIC HEARING OF EVERGLADES REGIONAL MEDICAL CENTER BOARD OF SUPERVISORS. ADOPTION OF RESOLUTION FOR THE 1995-1996 BUDGET. YOUR ARE HEREBY NOTICED that a public hearing by the Board of Supervisors of the Everglades Agricultural Area Environmental Protection District will be held on Friday, July 28, 1995, at 10:00 a.m., in the Convention City Hall, 115 West Vine Street, Clewiston, Florida 33440.

The purpose of this public hearing is to hear all objections to the budget as presented, to make such changes to the proposed budget as the Board of Supervisors deems necessary and to adopt the budget as finally approved by the Board of Supervisors for the District.

If any person desires to appeal any decision made by the Board of Supervisors with respect to any matter considered at the meeting he will need a majority of the quorum, and, for that purpose, he may need to appear that a verbatim record of the proceedings is made, which record include the testimony and evidence upon which the appeal is to be based.

1996, for the purpose of electing two commissioners, one for a term of four years. There will be no commission election held representing "C". Each candidate will be required to file a statement of financial interest with the City Clerk of City Hall, 115 W. Vine St., Belle Glade, Florida, during regular office hours until 5:00 p.m. on Friday, July 28, 1995. Each candidate will be required to file a statement of financial interest with the City Clerk of City Hall, 115 W. Vine St., Belle Glade, Florida, during regular office hours until 5:00 p.m. on Friday, July 28, 1995. Each candidate will be required to file a statement of financial interest with the City Clerk of City Hall, 115 W. Vine St., Belle Glade, Florida, during regular office hours until 5:00 p.m. on Friday, July 28, 1995. Each candidate will be required to file a statement of financial interest with the City Clerk of City Hall, 115 W. Vine St., Belle Glade, Florida, during regular office hours until 5:00 p.m. on Friday, July 28, 1995.

The first day for filing as a candidate for commissioner will be July 28, 1995, and the last day for filing will be July 28, 1995, at 5:00 p.m. Candidates must file in person with the City Clerk of City Hall, 115 W. Vine St., Belle Glade, Florida, during regular office hours until 5:00 p.m. on Friday, July 28, 1995. Each candidate will be required to file a statement of financial interest with the City Clerk of City Hall, 115 W. Vine St., Belle Glade, Florida, during regular office hours until 5:00 p.m. on Friday, July 28, 1995. Each candidate will be required to file a statement of financial interest with the City Clerk of City Hall, 115 W. Vine St., Belle Glade, Florida, during regular office hours until 5:00 p.m. on Friday, July 28, 1995.

The election will be held at the City Hall, 115 W. Vine St., Belle Glade, Florida, and the polls will be open on election day from 7:00 a.m. until 7:00 p.m. No person will be permitted to vote unless he or she is a registered voter in the City of Belle Glade.

In the event that no candidate receives a majority of the vote and the particular office need vacate in the election of September 12, 1996, a run-off election will be held on September 12, 1996, between the two candidates in each race who receive the largest number of votes.

LEGAL NOTICES

NOTICE OF PUBLIC HEARING OF PROPOSAL FOR THE CONSTRUCTION OF A NEW 100-UNIT APARTMENT BUILDING IN THE CITY OF BELL GLADE.

YOUR ARE HEREBY NOTIFIED that a public hearing by the Board of Supervisors of the Everglades Agricultural Area Environmental Protection District will be held on Friday, July 20, 1995, at 10:00 a.m. in the City of Belle Glade, 115 West Ventura Avenue.

The purpose of this public hearing is to hear all objections to the proposed project, to make such changes to the proposed project as the Board of Supervisors may deem necessary and to adopt the budget as finally approved by the Board of Supervisors.

If any person desires to appeal any decision made by the Board of Supervisors with respect to any matter presented at this meeting he will need a record of the proceedings, and then, for such purpose, he may need to ensure that a written record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.
